

Dear Representative

Thank you for your service to our great state and our great country. I am a member of the Heritage Ranch Democratic Club in Fairview, Texas. We are observing the efforts of you and your fellow democrats to stop voter suppression in our country. The country needs you and your fellow legislators to stand strong for the rights of every voter in America. Democracy itself is depending on all of you.

We support what you are doing 100%! We understand that bringing national attention to what is happening in Texas is the only way to fight Republicans as they try to suppress the vote. Please stay in Washington as long as it takes. Keep the pressure on for national support in Federal legislation.

We are ready to help. We are sending love and support for you guys as you fight for the HR1 For the People Bill. This bill is huge for all Americans. We also support the John Lewis Voting Rights Advancement Act. We, the people, are in favor of the bills Democrats have introduced to protect our voting rights. The reason Republicans are against these bills is very clear. Republicans can not win in a fair fight. They must suppress the vote in order to win. We want free and fair elections.

Please continue your strong stand to STOP VOTER SUPPRESSION1

Sincerely,
